

## Carnebello Dry Food Poultry & Rice

### Dry Food

### Complete feed for adult dogs with normal energy requirements

Our Eggersmann Carnebello Dry Food Poultry & Rice is a high-quality complete food with the finest ingredients. The delicious croquettes contain easily digestible poultry, rice and healthy whole grains. Rice is a carbohydrate source that is particularly kind to the stomach and intestines and keeps your dog full for a long time. The poultry it contains provides valuable animal protein and the whole grains naturally contain important B vitamins and minerals, so that your dog is supplied with all the necessary nutrients. To support intestinal activity and a balanced intestinal flora, the Carnebello Dry Food Poultry & Rice also contains apple pomace rich in pectin, a natural fiber with prebiotic properties. Our tasty recipe is refined with local herbs, so with our dry food you offer your dog a meal that is not only delicious but also healthy. Our Eggersmann Carnebello Dry Food Poultry & Rice is suitable for all adult, normally active dogs due to its high digestibility and can also be fed to people with sensitive digestion.
